

Hatch Cover and Awning

From \$225 to \$299

Keep The Bugs Out And Enjoy The Breeze!

Protects your trailer galley area from wind and rain. Built-in awning provides additional protection while you cook! Awning extends out 5', and rolls up out of the way when not in use. No-see-um grade mesh allows the breeze through, but not the bugs! Cover and awning are made of heavy-duty, waterproof 600D polyester fabric that is coated with UV inhibitors for maximum UV resistance. This high-quality product is designed to provide you years of protection and reliability. This item is covered by our Lifetime Warranty against all defects in materials and workmanship for the life of the product.

100% Made in the USA.

Color options: Blue, Green, Tan (shown) Designed to fit Little Guy 4', 5', and 6' wide teardrop trailers.
